Textiles - yarn - S. Kanara Dist.
Supply of yarn decod- from
mills to S. Kanara Dist. Mangam.
natha Habieres S. Kanara

10

The Honourable Minister for Industries,
Government of Madras.

10934

S. Kaveri Bai
Proprietor, Manjubai's Hosiery
Port Kodialbail Mangalore.3.
South Kanara.

Petitioner.

The petitioner begs to submit a petition as follows:

1. The petitioner is the owner and proprietor of a small Hosiery Factory run under the above name consisting of two power-driven knitting machines with all other subsidiary machines. The factory was started in 1949 when there was absolutely no shortage of yarn and any quantity of yarn was available in free market, nor was any shortage expected.
2. In June 1950, the Government took over the entire distribution of yarn and no yarn was available in free market.
4. By petition dated 27-6-1950 the petitioner applied to the Director of Controlled Industries for allotment of cone yarn for her, which until then was not being allotted to this District at all by the D.C.C., as there was no hosiery factory in this district except the Commonwealth Factory which was getting its quota-direct from the mills. The D.C.C. after referring the matter to the Textile Commissioner at Bombay and after receiving the Textile Commissioner's decision in Ref.No. 315 SB/2000/14139/4965 dated 22-3-1950, directed

to S. Bai
to call for the
records of the
D.C.C.
28/1

Ln-

4. ever since then, some gain is being effected at this District and the District Collector has been ordered to visit the petitioner from time to time to keep in touch with the progress available there and report regularly.

6. The petitioner begs to submit that during the last over three months the petitioner was forced to close the factory for want of fuel and all the workmen have been thrown out of employment.

7. The petitioner has to submit that the factory
in question is an example of small scale industry and
with a view to conserve work to bring number of skilled
work women out of employment. It is ^{an} ~~a~~ ~~the~~ ~~one~~
petitioner to point out that it is the voice of

of both the Central and State Governments to encourage small scale industries. The petitioner has invested over Rs.30,000/- over the factory. It was started at a time when there was no scarcity of yarn and when wholesale control over distribution was never expected. Under the scheme of yarn Distribution then in force and framed by the D.C.C. in his R.C.No.107401/49-D2 dated 24-9-1949, under para 6(iv) referring to knitting factories, it is as follows.

"No restrictions are to be put on the acquisition, installation and working of knitting machines and factories. They may be supplied yarn."

It was on this basis that the factory was started. Subsequently, as stated above, after getting the sanction of the Bombay Textile Commissioner, yarn was allotted or binned the factory to run over a year. Now to stop the supply of yarn, and thus kill this small scale factory putting the petitioner to considerable loss and throwing workmen and craftsmen out of employment works great hardship and is neither just nor proper.

8. The petitioner may also be permitted to point out that while foreign concern like the Bombay Healthosiery Factory receives hundreds of cones of cone yarn every month from the Indian Mill, the petitioner, a citizen of India, is denied cones of cone yarn and the small scale industry.

9. The petitioner, therefore, prays that he may be kindly allotted to supply of 10 cabs or 20 cabs per month and a permit is used to him to work on the said line.

P. Mahalan
I enclose a copy of letter No.L.Dis.5926/52 dated
15.3.52 received from the Collector of South Kanara. Necessary
instructions have already been issued to the Collectors
that supply of cone yarn may be arranged for the machines that
existed prior to 1.10.50 and that necessary allotments of cone
yarn to South Kanara district will be made early in April 1952.

The petitioners may be advised to approach the Collector
for their requirements.

Endt.No.10934/MII/52-1 dated 4.2.52.

--

I invite your attention to my letter ref.Tl.30692/51
dated 31.12.51 in which I had reported the full facts of the case
and the reasons for the non-supply of yarn in November and December
1951 to the petitioner's hosiery factory started in 1949 and another
hosiery factory, the Canara, Hosiery works started in 1951. In
response to my request made in that report you were pleased to make
an adhoc allotment of 5 6 bales of cone yarn to the three months from
February 1952 to April 1952 sanctioned in your RC.9279-52-D3 dated
16.2.52 provision has been made for the regular supply of 5 bales
of cone yarn to the District by the Madura Mills who have however not
offered any cone yarn either in February 1952 or in this month so far the
requirements of this district for supply to the two hosiery factories
according to the scales prescribed come to 4 bales a month. I request
that the Madura Mills Co, may be directed to make the supply regularly
every month.

2. As regards the request for direct purchase of the yarn
for the Mills, the petitioner is not entitled to do so, as the factory
as the factory was started after the control system came into
force.
